Sanderson™ Immune Combo Pack

SANDERSON™ Ester-Plex® 600mg high strength chewable vitamin C contains natural metabolites to ensure optimum bio-availability to the body, so that the vitamin C is absorbed better than ordinary vitamin C. SANDERSON™ Ester-Plex® is a potent immune support, especially during winter; it is also an effective antioxidant, and may be beneficial as a support in recovery from injury or at times of stress when the need for vitamin C increases.

SANDERSON™ Triple Zinc FX combines three organic, highly bioavailable forms of zinc for optimum potency. Zinc supports immune function, recovery and wound healing; maintains healthy skin, and supports reproductive health and fertility.

Ester-Plex 220 Capsules + Triple Zinc FX 100 Tablets **HOT DEAL \$15.50**

Sanderson™ Ester-Plex® - Diabetics should exercise caution owing to sucrose content. Sanderson™ Triple Zinc FX - Caution: Zinc may interact with some medicines. It may counteract zinc depletion or mitigate side effects. However, some antibiotics and Warfarin may be less effective, and there is potential for a negative interaction with some hormone medicines. Check with your doctor or health professional. Always read the label and use as directed. If symptoms persist see your healthcare professional. TAPS-PP3701
